

CLINIC ENTRY DECLARATION

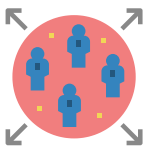

We are a Safe Clinic. All of our team members have completed educational modules on hygienic and safe treatment practices.

New policies and high standards have been implemented to maintain a clean and safe environment, protecting you and our team.

By entering this clinic, you agree to have your temperature taken and personal details recorded, as required by the Government for tracing.

This clinic has a capacity of _____, including team members (in compliance with the 4m² rule). While social distancing isn't always possible during treatments, our team is trying their best to keep distance and we ask that you do the same. When social distancing is not possible our team use PPE.

We appreciate your patience while we take extra time following a rigorous sanitisation process, ensuring all treatment rooms, equipment, products and high touch surfaces are sanitised regularly for your safety.

Upon entry, please sanitise your hands and avoid touching objects and surfaces unnecessarily.

Contactless payment or prepayment, for treatment and products, is preferred.

If you or someone you know displays any flu like or COVID-19 symptoms, please cancel your appointment.

Thank you for supporting and trusting us to look after you.

This clinic will do everything possible to minimise the spread of COVID-19, but can not be held responsible if a client contracts COVID-19.
